

THE MOST EXPENSIVE LEAK IN INDIAN SMB MARKETING

4 hrs
is all it takes to lose them

You paid for the lead. They had peak intent at 2:40 PM. Your team replied the next morning.

Your competitor's WhatsApp landed at 3:15 PM. Same ad spend – completely different result. The only variable was response time.

NEXT MORNING	5-MIN SYSTEM
Response time 8–18 hrs	Response time <5 min
Sunday coverage Zero	Sunday coverage Full
Follow-up if no reply Forgotten	Follow-up if no reply Automatic
Context for your team None	Context for your team Full brief

The 5-minute flow

01 Form submit → WhatsApp in 5 min from your number	02 One qualifying question sent budget / location / need
03 Answer routes to a human hot or nurture flagged	04 No reply in 24 hrs polite follow-up auto-sends
